Siji Art Management

Siji Art Management founded in Jakarta in 2015, as a 'bridge' for the artists to present their visual artwork through the exhibition.

Siji Art Management focuses to introduce prominent talents and emerging artists to the art market.

In addition, Siji Art Management also actively holds workshop and discussion related to the art management and provide the private sale services to art aficionado. In this second edition of Art Moments Jakarta, Siji Art Management will be presenting the collection of artworks from artist Iwan Suhaya.
