Press Release

Art Moments Jakarta Announces Its List of Exhibitors

Jakarta, 3 April 2019 – Art Moments Jakarta, Indonesia’s leading contemporary art fair, opening 3rd May to 5th May 2019, has announced its exhibitor list. The inaugural art fair will showcase an array of exemplary artworks, photography, video art, sculptures and special installations from more than 35 galleries. The three-day prestigious fair will kick off on Friday with a VIP Private Preview at the Sheraton Grand Jakarta Gandaria City Hotel in South Jakarta.

Established by a team of art professionals and experienced fair organisers in Jakarta and Singapore, Art Moments aims to create a new exciting destination for the international art fair circuit, with networking opportunities for local galleries, artists and collectors to network, educate, exhibit and engage. One of the key highlights from participating galleries is the showcase of artworks from Indonesian artists. The fair aims to attract more than 30,000 new and established collectors, curators, art professionals, art enthusiasts, members of the press and the public.

Leo Silitonga, founder and art curator of Art Moments Jakarta, said, “The art scene in Indonesia is expanding rapidly, and has been receiving growing interest globally. Art Moments Jakarta is therefore created as a platform to support this interest, as well as to encourage the growth of art appreciation and collection in Indonesia. Together with our partners and exhibiting galleries, we aim to make Jakarta worthy of being an international art destination.”

About Art Moments Jakarta

Art Moments Jakarta is set up by a team of art professionals and experienced fair organizers in Jakarta and Singapore. Jakarta holds a few art fairs annually. A well-managed art fair has proven to draw attendance to more than 30,000 people each fair. Art Moments 2019 composes to bring together international galleries to meet the discerning requirements of art collectors and aficionados. Art Moments will create an additional event and destination for the international art fair circuit with a better platform and networking opportunities for local galleries, artists and collectors to network, educate, exhibit and engage. It will also invite highly qualified galleries to promote works from Indonesian artists. For more information, visit www.artmomentsjakarta.com

About Leo Silitonga

Leo Silitonga is the founder and art curator of Art Moments Jakarta. A graduate from Bandung Institute of Technology (ITB, Architecture) with a MBA in Finance from Southern Illinois University, Carbondale, USA, Leo started as a passionate art collector in 2004. Using his background as banker and art collector, he has arranged more than 10 art shows and collaborated with local and international galleries including Richard Koh from RKFA. He has participated in art fairs in Jakarta (Bazaar Art Jakarta 2010, 2011, 2012), Singapore (Art Stage Singapore 2011-2012), Sydney (Sydney Contemporary Art Fair 2013) and London (London Art 2014). Leo was the fair director of Bazaar Art Jakarta 2014 (now Art Jakarta) and was instrumental in growing its presence from a local fair to an international art fair.
